

Follow these steps to join the “Light Cone 2018” Bluejeans meeting. No username and password are required:

1) go to <https://jlab.bluejeans.com/>

2) in the right half of the screen select:

* Join As: participant

* Meeting ID: 311 536 872

* Name: insert your name here (this is the name that people will see while you are connected to the system)

3) click “Enter Meeting”

4) Depending on your operating system, different things can now happen. For a Mac, a blue screen should be loaded with the title “Light Cone 2018”

5) it might be that you also have to click “allow” (or similar) to allow the browser to use your camera and microphone

6) you should see again the blue screen with the title “Ready to join Light Cone 2018?” Click the option “Computer audio”

7) click "join the meeting"

If you can complete these 7 steps, it means that everything is working fine.

8) in the menu on the right, if you click “Participants” you can see who is connected. You also have the options to turn on/off your video and microphone clicking the two icons (a camera and a microphone) close to your name.
